

# Sponsorship Opportunities

## The Opportunities

There are several sponsorship opportunities with UAC each year. If the sponsorship you want is already taken, you also have the option of attending the event as an exhibitor or non-official attendee (ask UAC about the details of these options).

Listed below are the sponsorships, by event and date, and associated cost and benefits. Simply select the sponsorship you are interested in and contact UAC to see if it is available. Once you have determined that, fill out the form on page three, watch the deadlines and you are all set.
